Fonds Description

Robert J. Clark Fonds. - 1911-1935.

53 cm of textual records.

Biographical Sketch

Born in Vancouver, Robert James Clark completed his graduate work in Physics at McGill University and Canterbury. He returned to Vancouver and joined the University of British Columbia's Department of Physics in 1947 and remained active there until the early 1970s.

Scope and Content

The fonds consist of research and lecture notes, records of experiments, logbooks, calculations, draft manuscript for a book *On the Hypotheses Which Underlie Physics*, and various journals and off-prints.

Notes

Researchers are strongly advised to check with the University Archives regarding permission to publish or otherwise use materials from this fonds.

No further accruals are expected.

File list available.
