Administrative history / Biographical sketch

Note

The office of the German Consulate General was established in Montreal, Quebec in 1909. In 1937 the office was moved to Ottawa, but a German consulate remained in Montreal to handle commercial matters.

Custodial history

While the chain of custody which resulted in the acquisition of these records is not clear, existing documentation indicates that the records were acquired by University Librarian W. Kaye Lamb sometime after the Second World War.

Scope and content

The fonds consists of the correspondence, reports, and memoranda (1935-1939) of the Consul General. Also included are Montreal office papers dating from 1919 and a few original documents from the Vancouver Consulate (1909-1911).

Notes

Title notes

Location of originals

The UBC Library was contacted by the Vancouver German Consulate in 2010, and informed that efforts have been underway to repatriate records removed from German Consulates from around the world during the war. The Library has deaccessioned the records, and returned them in December 2011.
