Dear Emily,

Many thanks for your nice letter of 25th September, and your cheque for dues.

I trust you are aware that it may be necessary for you to apply to the Personnel Department of the University in order to receive the retroactive pay owing you for the April to September period.

You may maintain your membership in AUCE while you are not working by paying the per capita tax of \$1.00 per month. Perhaps you would like to pay on a quarterly basis, remitting a cheque for \$3.00 to the above address. As always, be sure to include your social insurance number!

I hope you will come back and work at UBC in the future. In the meantime, the union office can always use help -- with just one full-time organizer we are stretched pretty thin. Anytime you have some free time, why don't you let Ann Hockey (the out-going organizer) or Jackie Ainsworth or Gina Mellado (one of them will be taking over) know at 224-5613.

Thanks again, and take care.

Yours sincerely,

Sandra Lundy.

Sandra Lundy,
Treasurer.
