

## association of university and college employees

May 6, 1981

To: All Local 1 Convention delegates

Our first meeting was held today in the Union Office. We went over some of the proposed changes to the existing Provincial Constitution. Some amendments and deletions were made. At the next meeting, which will be Monday, May 11th in the Union Office at noon, we will continue going through the proposed changes. In addition, we want to have a position and possibly a proposal on Local 5's decision to affiliate to the CCU, a position and/or proposal with respect to this Local's withholding of part of its per capita tax (as a result of the strike last year) and finally, we need to elect one of our delegates to be on the Resolutions Committee.

We were unable to find anything in the By-Laws suggesting that any resolutions from this Local must be passed by our membership. However, we intend to have the proposals ready for the membership meeting on May 21st so that they can be discussed and voted on. At least we would like to have the feeling of the membership on some of these issues.

Remember the next meeting is Monday, May 11th. If you can't make it please let Carole know and if you can't attend and have a position on some resolutions, send them to the Union Office and they can be discussed at the meeting.

Fraternally,
