Dear Kathy,

At our last membership meeting, Lid Strand who is the Secretary-Treasurer of the Provincial Association asked me if we had any union buttons to spare. I am therefore enclosing a small number of buttons which, Lid suggested, could be used in your campaign to certify as a new Local of the Association of University and College Employees union.

Although we don't have many buttons to donate to your very worthy cause, at least it will give you an idea on which to base the design of your own union button, should you decide to have any made.

I would like to wish you all success in your campaign and hope the New Year will bring with it the success you deserve.

Yours truly,
