Fonds Description

Awards and Financial Aid Office fonds. – 1948-1999, predominant 1979-1999.
18.81 m of textual records.

Administrative History

The Awards Office emerged in the mid-1970s at the University of British Columbia to administer student scholarship and bursary programs. In 1980 the name of the unit changed to Awards and Financial Aid and its mandate extended to include student loans. Byron Hender served as the first director of the unit from 1974 to 1991 when he was succeeded by Carol Gibson who served in the position until 2001. Following a reorganization in 2002, the functions of the unit were divided between merit- and needs-based activities and these were reallocated between Student Recruitment, Admissions & Awards and Records, Registration & Student Financial Assistance respectively.

Scope and Content

The fonds consists of three series, Discontinued Awards (1979-1999), Statistical Data (1975-1992), and Active Awards (1948-1993. The latter series includes substantial records of the Mackenzie King Scholarship Programme)

Notes

Fonds consists of institutional records – access requests must be reviewed by the University's FOIPOP Coordinator.

The files provide historical information as to the background of the establishment of the awards and often the reasons for discontinuation. In addition the files often include a listing of recipients of the awards.

Boxes 1-41, 44(1-20), 47-49.

Statistical Data series. -- 1975-1992.

53 cm.

Series consists of computer-generated statistical data pertaining to student awards.

Boxes 42, 43.

Active Awards series. --1948-2001.

2.30 m.

Series consists of inactive files of awards which are still active in some capacity. Files are arranged alphabetically by the name of the award. As with the Discontinued Awards series, there is often historical information as to the background of the establishment of the awards and information about the recipients of the awards included.

Much of this series is the Mackenzie King Scholarships (Open and Travel scholarships) which is funded by the trust of the late former Prime Minister, Rt. Hon. W.L. Mackenzie King (1874-1950). The files contain correspondence between UBC and the winners of the award between 1965-2001, information on the scholarship committee and financial information related to the scholarship.
