Fonds Description

Engineering Undergraduate Society fonds. – 1961-1964.

13 cm of textual materials.

Administrative History

The Engineering Undergraduate Society is composed of all undergraduate students studying engineering (Faculty of Applied Science) at UBC. The organization of the Society is managed by an executive which concerns itself with the social, athletic, and community activities of engineering students.

Scope and Content

Fonds consists of a scrapbook of prize-winning models created between 1961 and 1964 and sponsored by the Association of Professional Engineers of B.C. presented to the Engineering Undergraduate Society.

Notes

Related records may be found in the [Alma Mater Society](#) fonds.
