Dear Jan:

Many thanks for your letter of March 13, 1981. I don't know what has happened to your previous records in this office but they are no where to be found. You are quite correct in your understanding about sessional employees and the form letters would never have been sent to you if we had realized this was your previous status.

I have placed your name in the address file and you should receive all information sent out from this office from now on.

Yours truly,

Carole Cameron
