

Jean or Jay:

Enclosed are the original of the Strike-Committee Report and some copies addressed to the members of the 76-77 Strike Committee to be sent to them. ~~(+ some other copies)~~ I would appreciate if you do that.

I'll come back sometime to take a look at the Strike Committee's file and see if it is complete.

Fissett

(682-2053)

Note: At the back are the names of people who were very active working with the committee who also wish to have a copy sent to each of them.
