Mr. L. Kempff,
Consul General for Germany,
1440 St. Catharines St. W.,

Sir:

We wrote you on the 16th of October as per enclosed copy, and since the wording of the Trade Agreement is released, will ask you to kindly let us know whether we can now make use of the German export prices.

In our former letter, we informed you that we had withdrawn from the market altogether pending a ruling on the above question, -- and we would thank you to be good enough to answer this letter if possible, after receipt.

We beg to remain, Sir,

Yours very truly,
