Dear Sisters and Brothers,

Over the past several weeks I have attended meetings of the membership and executive as both an in-coming and an active member of the executive board.

These meetings were January 6, 13, 15, 16, 27, February 2, 5, February 10, 24 and February 26, i.e. ten meetings. On these days I parked my car and paid for parking in a lot adjacent to the hospital so that I could get to the meetings more promptly than if I had to walk a long distance to where I normally park on the street.

This cost \$2.00 per day and I attach the receipts. If you could reimburse me for the \$20.00 I would appreciate it. The cheque could be sent to me at work via UBC mail.

I still have a key and will return it to the office as promptly as possible and recover the receipt which I gave for it and which is in petty cash box.

Its been real, and I look forward to the results on March 26.

Yours sincerely,

Sandy Lundy

Dear Sisters and Brothers,

It has been a pleasure to serve as recording secretary of the union since January 15, 1987. Regretfully, however, I find that I must resign. For one thing, I am moving house on March 21 and must give full attention to my job and personal matters.

The past few weeks have been interesting, exciting and hectic, and I have been glad to serve the union as recording secretary, and to have met so many pleasant and capable people on the executive.

Yours sincerely,
