

Inquiry to Physical Plant
MR. Kifer - 2054.

Re: Study of lighting
on campus.

to study lighting in
classroom.

- asked him about if
he was aware of
controversy around
fluorescent lighting.
- talked about subjective
and objective elements.
To be scientific have to
carry on survey with
large numbers of people.
- Physical Plant sets
standards for levels on
campus

Worker's Compensation
Board.
