Dear Sisters and Brothers:

RE: National H/S Conference

Enclosed you will find the brochure announcing CUPE's 4th Biennial Health and Safety Conference. The issues to be dealt with at this conference are of great concern to our members and I know your local will want to participate.

In addition to the brochure you will also find information on reduced air fares. As you will see, Classic Travel has offered to handle the booking of air fares and are offering substantially lower rates than the full economy price. We would urge you to take advantage of this offer by contacting them directly. However, in order to take advantage of this offer, you must stay over on the Saturday either prior to or after the conference and must send in the form by October 10th!

Information on hotel accommodations is also contained in the travel brochure. You must complete both forms and return to: Suzanne Proulx c/o CUPE National Office - 21 Florence Street, Ottawa, Ontario K2P 0W6.

Please note that Tuesday night, November 18 is caucus night. We would encourage occupational groups to get together that evening to discuss mutual health and safety concerns. Arrangements have been made to provide meeting rooms for the caucuses.

Also note that registration deadline is October 10th.

Looking forward to seeing you in great numbers and to a very informative conference.

Fraternally yours,
