Dear Brothers and Sisters,

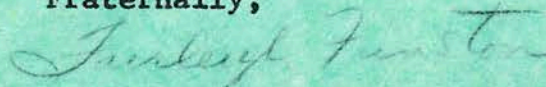

We wish to thank-you for the literature you sent us concerning your weekly labour programme B.C. Overtime.

Although we missed the pilot programme of August 12th we are very interested in your future productions and would like to be kept informed of upcoming programmes.

Should you at some point in the future, wish to get together with various unions' representatives we would be only too happy to participate in discussions concerning current labour trends or concerns, specifically those related to women in the work force.

I wish to send our appologies for our late response to your letter. Our delay in replying was not due to lack of interest or support for your energies but rather our current negotiations of our third collective agreement.

Fraternally,

Fairleigh Funston  
Union Organizer  
on behalf of Local #1 Executive
