Re: Article 34:08: Re: Grievances Barry Sloan
and Elizabeth Barstowe.

Dear Mr. Grant

In answer to your replies concerning the above mentioned persons. The Union wishes to re-state its position that under the provisions of Article 34-08 neither employee should have been laid off.

With regard to Elizabeth Barstowe. We are pleased she has been placed in another job, however, this does not change the fact that she, like Mr. Sloane was illegally laid off.

The Union would like to inform you at this time, that we intend at the earliest possible opportunity to request our membership to authorize the Union to take this article to arbitration with a view to interpretation.

Yours truly

Marcel Dionne
Chairperson of Grievance Committee
AUCE LOCAL I

cc. Mr. W. L. Clark
Assistant Director
of Employees Relations.
