Association of University and College
Employees

AUCE consists of nearly 2000 members
in 4 locals. -

UBC - all clerical staff (over 1200)

SFU - all clerical and technical staff (over 500)

Capilano College - all non-teaching staff
(approx. 120)

Notre Dame University - all non-teaching staff
(approx. 40)

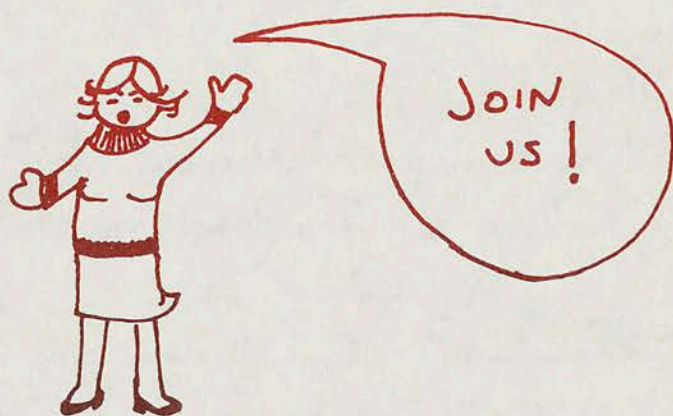

AUCE formed at UBC in 1972 as a
democratic alternative to existing unions.

We feel that to be strong and effective
our union must be run by the membership.

All our locals are on either 1st or 2nd
contracts and yet these contracts are as
good and better than those of other unions.

... over

The economic situation at this time makes union membership very important. According to our contracts lay-offs must proceed in an orderly fashion and this is based on seniority. Lack of funds is not a sufficient reason for lay-offs. AUCE is opposed to the Inflation Guidelines as they effectively limit wages but do nothing to stop increasing prices and profits.
