It is agreed between the sender of the message on the face of this form and this Company that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of any unrepeatable message, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages; or for errors from illegible writing, beyond the amount received for sending the same.
