Dear David:

The issues concerning your strike were brought to the attention of our general membership meeting of February 19, 1981.

A motion was passed at that meeting to support you in your continued efforts to obtain a collective agreement that is satisfactory to you.

We applaud your efforts to obtain equal pay for work of equal value for your members. This is a battle we have been fighting within our own working situation for some time. Good luck!

In Solidarity,

Carole Cameron
