Office Phone No. _____

You have a choice between three different types of duties:

1. **Picketer** - reports in to picket co-ordinator, goes to assigned entrance, where she/he pickets for the duration of her/his shift, then reports out to the picket co-ordinator. As you can see from the shift times below the people who choose to do picket duty during "inconvenient" hours are given shorter shifts. The picketers do picket duty on a daily basis.
2. **Picket Co-ordinator** - checks off picketers names on check-off list when they report in and report out. Takes coffee, etc. to picketers, relieves them for short period (if they need "relief"!); checks to see that they are in the correct location. Reports daily to strike co-ordinator. The people who choose this duty, as can be seen below, have much longer shift times, and therefore work on alternating days.
3. **Office Assistants** - back up to picket co-ordinator, fill in any holes in picket lines, help people in Union Office, etc. These people have the same hours as the Picket Co-ordinator, and therefore they, too work on alternate days.

If you wish to be a picketer please choose the shift which you wish to take, marking your three choices, 1, 2, and 3 (obviously!)

If you wish to be a picket co-ordinator or office assistant, please mark your choices in the same way. Also, please fill in the picket shifts for picketers which would be your choice. We may have enough people to be co-ordinators and office assistants, and you will be asked to be a picketer.
