ASSOCIATION OF UNIVERSITY AND COLLEGE EMPLOYEES, LOCAL NUMBER FOUR

February 18, 1982

Association of University & College Employees
Provincial Office
901 - 207 W. Hastings Street
Vancouver, B.C.

Attention: Lyd Strand,
Secretary-Treasurer

It has come to our attention that at least some of our members have received a mailing, to their homes, of a pamphlet announcing a forthcoming conference.

The Local 4 executive strongly urges you to, in future, give more consideration to "bulk mailing" of such material to our local office for subsequent distribution to our membership, internally. With the current high postage rates, mailing of such information on an individual basis is a misuse of members' money.

Yours truly,

A handwritten signature in cursive script, appearing to read "Ethel Sviatko".
