Dear Mr. Abramson:

Re: Your letter dated November 8, 1977

We regret and apologize for the delay in settling our account with you. While our tardiness was unintentional, we are concerned from the tone of your letter that the circumstances may have a prejudicial effect on Kevin Grace's arbitration hearing scheduled for November 22, 23 and 24, 1977. We have decided, therefore, that we no longer wish to retain your services as arbitrator for that hearing.

Our apologies, once again, for the delay in payment.

Sincerely,

Jay Hirabayashi
