Dear Friends:

Thank you for your letter dated March 8, 1982 and reprint of the "Red Rag". I apologize for not responding to you before this. AUCE Local I is vehemently against the antics of the Engineering Undergraduate Society staged during Engineer's week at UBC. We consistently protest these events each year as well. I am enclosing a copy of a letter sent to Mr. David Hill, President of the Law Student's Association on February 18, 1982 which expresses our sentiments on the matter. I am also enclosing a copy of some correspondence subsequently received from Dean Wedepohl.

If you could suggest further action on our part, please let us know. We would appreciate it if you would inform us of any further developments concerning the engineers and of any assistance we can provide.

Yours truly,

Wendy Bice
