Dear Theresia,

Please find enclosed your membership card and a receipt for the initiation fee you gave to me during the Orientation period at Employee Relations on February 25, 1981.

The receipt is for your files. It is to your advantage to carry the Membership card with you when attending union meetings or when participating in ballot casting.

If I can be of any further assistance to you, please contact me at the Union Office.

Yours truly,

Wendy G. Lymer
