Dear Sheila:

Enclosed herewith, the Reasons for the Judgment re the Attorney General of Canada v. Yu, Buchmann and Hawkins. I spoke to Allan MacLean the other day and he thought some decision would have to be made very shortly by UIC as to whether they would appeal the case to the Supreme Court. Apparently there is some chance this could happen since the decision, in our favour, was not a majority one.

I have had several complaints from our members since that they are still not receiving benefits from UIC but finally have cleared up that problem, I think.

At our general membership meeting of October 25, Local 1 donated a further \$500.00 to the Vancouver Community Legal Assistance Society for all the assistance they have provided us with the case.

Yours truly,

Carole Cameron
