

association of university and college employees

October 1, 1982

Elizabeth Whittam
Woodward Library
Campus Mail

Dear Elizabeth:

I am returning herewith the dollar you sent for your new union card. It is not necessary to pay the initiation fee again. Also enclosed please find your copy of the application for membership. It is rather a cumbersome form that we inherited from the Provincial Association and hope someday that it can be simplified.

Hope you are enjoying the job in Woodward.

Patricia Jones
