Dear Mr. Grant:

Re: Article 6.04 - Notification

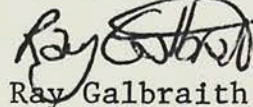

As per Article 6.04 - Notification, AUCE Local #1 is requesting that the University deduct the following assessment from the June 30, 1980 paycheques of all AUCE members and of those non-members covered by our certification.

For members working 10 to 17 hours a week the amount deducted will equal \$12.50. For members working 17 1/2 to 29 hours a week the amount deducted will equal \$25.00. For members working 30 to 35 hours a week the amount deducted will equal \$50.00. The same amounts above apply to non-members.

The above assessment was ratified by our membership at the conclusion of a referendum poll ballot counted on Wednesday, May 21, 1980.

We contacted Bob Seeley in Finance last Thursday and he indicated that the assessment could be programmed in June and deducted at the end of June. We would appreciate it if you could indicate in writing as soon as possible if the assessment can be deducted on June 30, 1980.

Yours truly,

Ray Galbraith  
Secretary-Treasurer  
AUCE Local #1
