CAMPUS MAIL

Dear Mr. Kenny:

At the general membership meeting of our union held March 15, the membership voted to declare all Simon Fraser University work being done at UBC as "hot". Therefore our members should not be asked to perform work for Simon Fraser University, that is not normally a part of their job duties, until this dispute is settled. The area of work that specifically comes to mind is in the Main Library where two Simon Fraser University employees work on a regular basis. AUCE members should not be asked to do this work.

Yours truly,

Carole Cameron
