

Association of University and College Employees

LOCAL No. 1 (U.B.C.)

16 April 1975

To the Executive and members of AUCE LOCAL 1.

I was unaware when I resigned as Vice-President of AUCE Local 1 that I had become Acting President of the Union as the President had also resigned. This failure in communication was due to the fact that I had been on vacation.

The Executive pointed out that my resignation deprived the Union of signing authority eg. we would not be able to pay our bills. Consequently I have agreed to rescind my resignation and Act as President until the membership meeting of May 8th. My resignation will therefore be in effect on May 8th.
