Dear Secretary,

The Provincial Executive is presently in the midst of organizing the Provincial Convention. The local reports have been scheduled for 10:30 - 12:00 on the morning of Saturday June 18, 1977. We recommend that each local give (approximately) a 10 minute report and a 10 minute question period covering such topics as membership of local, status of local, finances, major issues, accomplishments, contract and grievances. We would also request that a written report be submitted to the Secretary/Treasurer at least one week before convention (June 11) so it may be included in the dockets to the delegates.

Please notify the Secretary/Treasurer as soon as possible of the names of the delegates and alternates to this convention. Also a meeting of the Resolutions and Constitution Committee is planned for Sunday May 15th and each local may have a delegate on this committee.

If you have any questions, please get in touch with Melody Rudd, Secretary/Treasurer at 684-6737, 1113 - 207 West Hastings.

In solidarity,

Melody Rudd
