Dear Sirs:

In reply to your letter of the 6th inst. I beg to say that this office does not issue certificates of origin.

I would suggest that you submit the original invoice from your Westhoven factory together with a sworn statement, certifying that the machines have actually been wholly manufactured in Germany. I would then certify that the signature of the Notary Public and return the document to you.

The fee for certifying the Notary's signature amounts to \$ 1,23.

Yours very truly,

L1/H
