Dear Ms. Nason:

Re: Susan Luck - Housing

After consultation with Ms. Luck, it is the Union's position that she should have been paid at the Administrative Clerk level for the entire period of May 1, 1982 to August 31, 1982 inclusive.

According to Ms. Luck, Mr. Lamour called her in on May 13 and informed her that the Administrative Clerk duties were being taken away. Ms. Luck was very upset at this and so a couple of days later she approached Mr. Lamour to discuss the situation. Her understanding of that meeting was that she would remain doing the Administrative Clerk duties. Ms. Luck maintains that she did the Administrative Clerk duties during the entire May to August period.

Further we have agreed that the appointment notice is considered the 'final word' and the appointment notice clearly authorizes the temporary promotion.

Please process the payment for the entire May to August period (inclusive) as soon as possible. Thank you.

Yours truly,
