NOTICE OF MOTION

At the March 14, 1985, general membership meeting, the Executive informed the membership of its decision to change the name of our local union from AUCE Local One to The University Employees Union. We are no longer entitled to use the name Association of University and College Employees since we no longer belong to that organization. We have a two-year service contract with The Canadian Union of Public Employees, but we cannot use their name until such time as we decide to become a CUPE local. The membership will not be making that decision until 1987. In the meantime we need to call ourselves something. We thought it would be a simple matter to change our name, since nothing in the internal organization of the local has changed. We found that what was necessary in order for us to do this was an application to the Labour Relations Board for 'successor status'. The LRB, under section 54 of the Labour Code, has to treat the matter as one organization (the UEU) succeeding another (AUCE). In order to approve this change, they have to be satisfied that the membership is fully aware of, and approves of the change. The following motion, which will be voted on at this meeting, would fulfil this purpose.

The AUCE Local One Executive moves the following:

that the name of this union local be changed from AUCE Local One to The University Employees Union;

that our current by-laws remain in effect, amended only to reflect the change of name and to delete references to the AUCE Provincial;

that we adopt the AUCE Provincial constitution, amended only to reflect the change of name and to delete content which is no longer relevant, until such time as we decide whether or not to become a CUPE local;

that the current slate of officers shall serve as the executive of The University Employees Union until January 31, 1986, at which time there will be an election.

IT'S SUMMER, WE KNOW, BUT PLEASE TRY TO ATTEND THIS MEETING — WE NEED A SUBSTANTIAL TURN OUT IN ORDER TO MAKE THESE DECISIONS.
