Re: Newsletter

At the July 9th Executive Meeting a motion was passed "THAT THE EXECUTIVE SEND A LETTER TO THE MEMBERS OF THE COMMUNICATIONS COMMITTEE EXPRESSING THE EXECUTIVE'S DESIRE TO SEE A NEWSLETTER EVERY MONTH."

A desire was expressed that Ray Galbraith share his expertise with the Communications Committee and that the Communications Committee take a more active part in putting together the newsletter.

Ray Galbraith will be meeting with you in the near future to co-ordinate the next newsletter. Hopefully, now that the chaos ensuing from the strike has abated slightly, we will be able to get them out on a more regular basis.

Yours truly,
