Dear Lynette:

Another name to be added to the list of maternity "overpayments" from Local 1. The most recent woman's name is Janice Austin and she has received, as you will see from the enclosed, an "outstanding balance" letter as well as a "request for agreed deduction" letter.

I wish UIC would get it together and hold any further requests for repayment in abeyance until the matter is settled. Thanks again for your help.

Yours truly,

Carole Cameron
