Telecommunications Workers Union
of B.C.
5261 Lane
Burnaby, B.C.

Dear Friends:

The February 19, 1981 general membership meeting of our local voted a motion of support to you in your continued struggle to obtain a satisfactory agreement with the B.C. Telephone Company. The issues surrounding your strike were also brought to the attention of our members at that time.

Good luck in your battle with an employer even the Federal Minister of Labour cannot support.

In Solidarity,

Carole Cameron
Union Organiser
AUCE Local 1
