Dear Pat and Ted:

Sorry I haven't seen you for a long time. And Ted, I was sorry to hear about your dad. I imagine you are still walking around dazed like I am. Anyway, good luck, and I hope the future is brighter for you.

Through this letter, I would like to resign from all my union activities. Although I feel a commitment to participate since I am a member of this union, it is impossible to properly attend and I don't feel that I can give my best effort to any of the undertakings that I get involved in. As you know, our office is terribly busy, staffing has been a problem and we are still short-staffed. Added to which, there is the distance to travel back and forth to U.B.C. So for all of the aforementioned reasons, I feel I really must resign.

Thank you, Pat, for being so supportive of me over Heath's death. I wish you and the union well.

Yours sincerely,

Adrien B. Kiernan
