

THE UNIVERSITY OF BRITISH COLUMBIA

MEMORANDUM

TO Interested Faculty and Staff

FROM Mark Thompson, Director

Inst. of Industrial Relations

September 7, 1976

The Institute recently purchased a video-tape entitled "The Grievance Arbitration Process", produced at the University of Toronto. It follows a grievance from the act of the grievor to an explanation of the award by the chairman (Dave Beatty). It is designed for use in classes or groups including any extensive treatment of grievance arbitration. There are five parts, with a total viewing time of about ninety minutes. It is available for rental through the Institute for a nominal fee.

I have arranged a preview showing at the Instructional Media Centre at 2:00 p.m., Friday September 10th for anyone who might be interested. Please RSVP with my secretary at local 4977.

The B.C. censor warns that this film is rated R.
