Dear Sirs,

In reply to your inquiry of December 23, 1937, I wish to inform you that under the German-Canadian payments agreement all foreign exchange resulting from Canadian purchases in Germany has to be used by Germany for purchases in Canada of merchandise of Canadian origin. If, however, the foreign exchange is ^{to be} used for purchases in Canada of goods of other than Canadian origin, I would advise you to ask the Department of Trade and Commerce at Ottawa for their consent.

Yours very truly,

The German Consul General
