Dear Mr. Grant:

On December 16, 1980, the membership of AUCE Local #1 voted to increase their dues and to be assessed a determined amount of money in both January and February 1981. As per Article 6.04 - Notification, we are requesting that the University make the following deductions:

- a) For members and non-members who work 30-35 hours a week, there will be two deductions of \$10.00 each to be deducted from the January 31, 1981 and the February 28, 1981 paycheques respectively.

For members and non-members who work 17 1/2-29 hours a week there will be two deductions of \$5.00 each to be deducted from the January 31, 1981 and the February 20, 1981 paycheques respectively.

For members and non-members who work less than 17 1/2 hours a week, there will be two deductions of \$2.50 each to be deducted from the January 31, 1981 and the February 28, 1981 paycheques respectively.

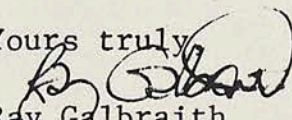

- b) As of January 1, 1981, the monthly dues for full-time employees will be increased from the current \$9 00 to \$12.00.

As of January 1, 1980, the monthly dues for part-time employees will be increased from the current \$4.25 to \$5.75.

That would mean the increases would be deducted beginning in January of 1981 and that the first dues cheque from the University reflecting the increase would come to us in early February.

If the above needs further clarification, please feel free to contact either Carole Cameron or Wendy Bice.

Yours truly,

Ray Galbraith
Secretary-Treasurer
AUCE Local #1
