Dear Ms. Nason:

Thank you for advising us of the dates when the membership will receive the new rates and retroactive pay.

I would like to respond to some of the points you made in your letter of November 17, 1982. My statement that the Union had nothing to do with the petition meant that neither the Union Office nor any committee of A.U.C.E. originated the petition. We received a copy of the petition in the mail as you did. If Wendy Lymer signed the petition, she signed as a private member of A.U.C.E. and not in her capacity as a member of the Contract Committee.

We appreciate the difficulty of processing the retroactive pay claims.

Yours truly,

Shirley Irvine
Union Co-ordinator
