

Association of University and College Employees

LOCAL No. 1 (U.B.C.)

September 26, 1979

Lid Strand
Registrar's Office

Dear Lid:

I am enclosing herewith a memo received from Laura Parkinson. This matter should be a subject for the Working Conditions Committee plus it should be discussed at the University Safety Committee level.

Are you going to undertake responsibility for calling the Working Conditions group together. I am interested in getting a speaking from the Worker's Compensation Board to speak to small groups or a large union meeting. Let's have a discussion about this subject soon.

Yours truly,

Carole Cameron
Union Organiser
AUCE Local 1
