

**association of university and college employees**

TO: ALL MEMBERS OF THE EXECUTIVE AND THE DAY CARE COMMITTEE

As per the decision made at the last Executive meeting there will be a special Executive meeting on Wednesday, May 5, 1982 at noon in the Library Processing Centre conference room on the second floor. Please consider the enclosed proposal and come prepared to comment or amend as you see fit.

The problem of day care is critical and we have to get our act together as soon as possible.

Please call the Union Office if you need a ride or are going to be unable to make it.
