Dear Mr. Grant:

A copy of the latest issue of Data News, Vol. 5, No. 1, January 1982, published by the University Coordination Office has come to my attention.

It provides very good, up-to-date information on topics of interest in data administration at UBC.

We would like to receive a copy of each issue if possible. I have completed and enclosed a request for the Newsletter but am forwarding it directly to you since University policy may not permit us ready access to each issue.

Please advise if we can be put on the mailing list or not. Thank you.

Yours truly,

Carole Cameron
