Dear Sir, Re Documentation for Germany

In reply to your letter of January 30th

- file Nr. 25011-A - I beg to say that all the official information which I have received from my Government on the subject of proof of origin for Canadian goods, shipped to Germany, is contained in my letter to the Department of External Affairs under date of January 3rd.

As far as I am aware, there is no particular wording prescribed for making the declaration of origin. I have reason to believe that invoices showing name and address of sender and consignee; number of packages; kind of packages; marks and numbers; weight - gross and net -; transportation used (rail, mail, ship etc.); contents of packages
