ASSOCIATION OF UNIVERSITY
AND COLLEGE EMPLOYEES

LOCAL #2 (SFU) BY-LAWS

- A. NAME: This Local Association shall be known by name as "The Association of University and College Employees Local No. 2 (SFU)" and shall hereinafter be referred to as the "Local Association".
- B. OBJECTIVES: The objectives of the Local Association shall be the same as those of the Association of University and College Employees as provided in Section 2 of the Provincial Association Constitution.
- C. JURISDICTION: The jurisdiction of this Local Association shall include but not be limited to full-time and part-time support staff at Simon Fraser University.
- D. MEMBERSHIP: Application for membership in the Local Association shall be made in writing and may be accepted from the applicant by a Local Association Officer or designated authority. Each person signing an application for membership and paying the initiation fee will thereby agree to comply with the aims, principles, and policies of the Provincial Association. Upon acceptance of such application according to Section 4.D of the Provincial Association Constitution, the applicant shall be entitled to full membership status. The initiation fee of this Local Association shall be one dollar (\$1.00) for each person wishing to become a member except in the case where the laws or regulations of the Provincial or the laws or regulations of the Federal government require a lesser or larger initiation fee, in which case the provisions or the laws and regulations shall apply, instead of and in place of the By-law requirement. When a member becomes unemployed she/he shall retain full membership rights without paying per capita tax for a period of ninety (90) days from her/his last per capita tax payment. Members unemployed for more than ninety (90) days from their last per capita tax payment, and members employed but not working in bargaining units, may maintain membership rights by paying not less than the per capita tax each month. After payment of such per capita tax, membership will only lapse if the per capita tax is more than three (3) months in arrears. The foregoing does not apply to members of a unit pending certification.

E. LOCAL ASSOCIATION EXECUTIVE:

The Table Officers of the Association shall include the following: President, Vice-President, Secretary, Treasurer and two Trustees. The executive will also include the Union Co-ordinator, Chief Steward, the Chairperson of the Contract Committee, and one Division Steward for each of the Divisions.

F. ELECTION OF OFFICERS:

1. A nominee for any office must be a member in good standing of the Local Association.
2. The nomination of Local Association Table Officers shall commence at the regular monthly meeting in February and close at the regular monthly meeting in March. Annual elections of Local Association Table Officers shall be by referendum ballot vote. At least fourteen (14) days prior notice of the election shall be given to the membership. The person receiving the largest number of votes in any election shall stand elected.
3. The two Local Association Trustees shall be responsible for the fair conduct of the balloting in all Local Association elections. In the event that a Trustee is running for office and is therefore not available to act as a returning officer, the Local Association Executive shall appoint a returning officer accordingly. No member running for office shall be eligible to act as a returning officer in that election. Each candidate will be allowed one (1) scrutineer at the ballot count and at each polling station. The results of the balloting will be announced as soon as possible after the election. Polling places will be located at suitable locations on campus, where possible, and the hours of voting will be determined by the regular monthly meeting in February.
4. Any protest alleging "unfair ballot" or other irregularity must be presented in writing to the Secretary of the Local Association within seven (7) days of the results of the balloting being announced. Upon receipt of such protest the Local Association Executive shall meet and if the protest is upheld another ballot shall be conducted. All ballots and voting lists shall be held by the Trustees for a reasonable period after the election. A motion to destroy the ballots shall be in order at a subsequent Local Association membership meeting following the election.

5. Each of the Divisions shall hold a March election meeting for the purpose of electing one member who shall serve on the Contract Committee, and one member who shall serve on the Communications Committee. In the event that a Divisional representative to a committee is recalled or resigns, a by-election to fill the vacancy will take place at a meeting of the members within the Division, following two weeks' notice. Each of the Divisions shall hold an October election meeting of all stewards within the division for the purpose of electing one steward to be division steward, who shall serve as a member of the local association executive and as one of the members of the grievance committee. In the event that a division steward is recalled or resigns, a by-election to fill the vacancy will take place at a meeting of the stewards within the division, following two weeks' notice.
6. The Contract Committee and Communications Committee shall each elect from among its members a Chairperson to serve on the Association Executive. The stewards shall meet annually in March to elect from among themselves a Chief Steward, who will serve as Chairperson of the Grievance Committee.
7. The election of Local Association representatives to the Provincial Executive shall be held at the same time and in the same manner as the election of the Local Association Table Officers. The Local Association's member of the Provincial Constitution and Resolutions Committee shall be elected at a Local Association membership meeting prior to the Provincial Association Annual Convention.
8. Each office or group of from approximately 5 to 20 members shall elect one steward, elections to be held at least once annually. The Division Steward shall be responsible for keeping a current membership list of all offices or groups within the Division, and for ensuring that each group is represented by a steward. Designation of Divisions and assignment of offices or groups to a Division may be altered from time to time by the Local Executive with the consent of the offices or groups involved.
9. No candidate may be elected to any office who is not present at the nominating meeting unless written consent to serve in the office if elected is presented to the officer presiding over that meeting at the time of nomination.

G. DUTIES OF LOCAL ASSOCIATION OFFICERS AND COMMITTEES:

1. The Local Association President shall preside at all meetings of the Local Association and of the Local Association Executive, and shall be a member ex-officio of all Committees and of all Divisions, and shall be responsible for coordination between the Committees and Divisions and the Executive.
2. The Vice-President shall assist the President, and shall assume the authority and duties of the President in her/his absence.
3. She/he shall be responsible for all official correspondence as directed by the Local Association membership or by the Local Association Executive.
4. The Treasurer shall maintain accurately and properly such bookkeeping systems as shall be set up under the instruction of the Local Association Executive. She/he shall present financial statements to each membership meeting, and shall circulate an audited financial report to the Local Association and Provincial Association Executives by January 1 of each year. This report shall be read at the January membership meeting.
5. The elected officers shall normally assume their duties of office within seven (7) days after the results of the balloting have been announced, unless a protest is lodged under Section F. 4. above.
6. All cheques issued by the Local Association shall require the signature of the Treasurer and one of the following: President, Vice-President or Secretary. Application for certification and other legal documents shall be signed by the Local Association President and Secretary.
7. The Communications Committee shall be responsible for all communications, including a Local Association Newsletter, notices or meetings, and communication of important decisions to the membership.
8. The Contract Committee shall be responsible for research and presenting all contract proposals to the membership for discussion; for all negotiations with the University on behalf of the Local Association; and for reporting to and educating the Local Association Executive and the membership.

9. The Grievance Committee shall be responsible for ensuring the rights of individual members on the job are respected, and for representing the interests of individual members in respect to their working conditions.
