Dear Sir or Madam:

From an issue of BCGEU News & Views, I note they have sponsored an article in a recent issue of the Canadian Children's Magazine entitled "Why do we have Unions?".

Can you forward five copies of this issue to us along with your covering invoice. If the issue is now out of print, is there some way we can obtain at least one xerox copy of the article?

Your assistance in this matter will be most appreciated.

Yours truly,

Carole Cameron
