

Montreal, den 23. November 1938.

Report L. C. Ord Head of Bomber Firm Here

London, November 21.—(P)—
Havas News Agency said tonight
it was reported that L. C. Ord,
Canadian-born Air Ministry official,
will be chairman of the new
Canadian central airplane manufacturing
company working on British orders
for bombers.

Ord began his industrial career
with the Canadian Pacific Railway,
with which he was associated for
20 years, becoming consulting engineer.
He is at present a consultant for
development and production attached
to the Air Ministry.

L. C. Ord
