Dear Ms. Bice:

Your letter regarding the December 21st memorandum from Doctors Courtemanche, Gellman, Korn and Grant to members of the medical staff has been referred to me for reply.

The statement to which you refer concerns the unions other than the Hospital Employees' Union which are certified to represent Vancouver General Hospital employees i.e., the British Columbia Nurses' Union, the Health Sciences Association, the Professional Association of Residents and Internes and the International Union of Operating Engineers. AUCE would not be consulted by the hospital in any case because V.G.H. employs no AUCE members. Your position regarding the crossing of picket lines would be more appropriately conveyed to your members' Employer, the University of British Columbia.

Yours very truly,

Fran Doyle
Labour Relations Officer
