

The Truly Modern Version of old-fashioned out door comfort

Relax -- to your heart's content in a *Vagabond* HAMMOCK

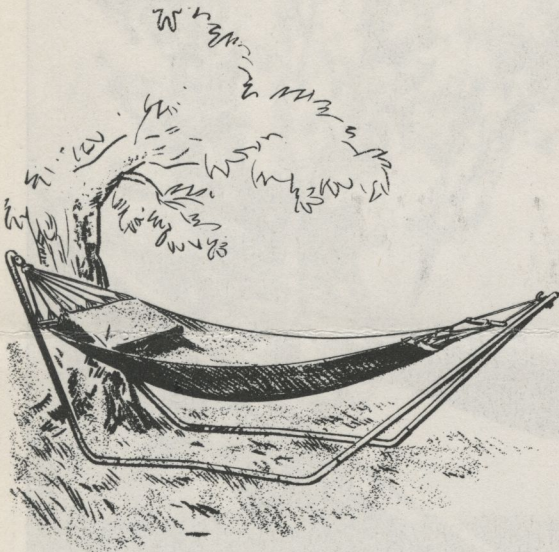

REMEMBER, back when . . . the family next door had a hammock. And how fortunate they were to have those two trees . . . two apple trees spaced just right for that good old hammock. What fun. How they all loved it. Indeed, it was continuous enjoyment for the whole family, especially Dad. AND NOW, the Vagabond Hammock is the modern answer to a long-felt want. Now, you too, can rest peacefully in the open air. It's so easily portable you can take it with you wherever you wish. Yes, it's something you have always wanted.

Now, you can enjoy Solid Comfort
"in the Shade of the Old Apple Tree"

THE *Vagabond* HAMMOCK

for restful comfort out-of-doors

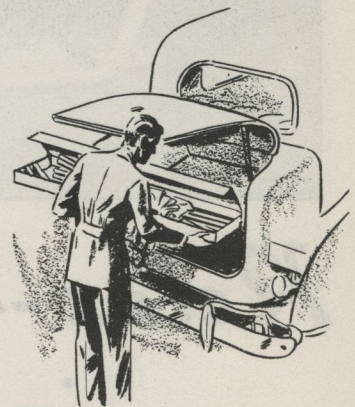

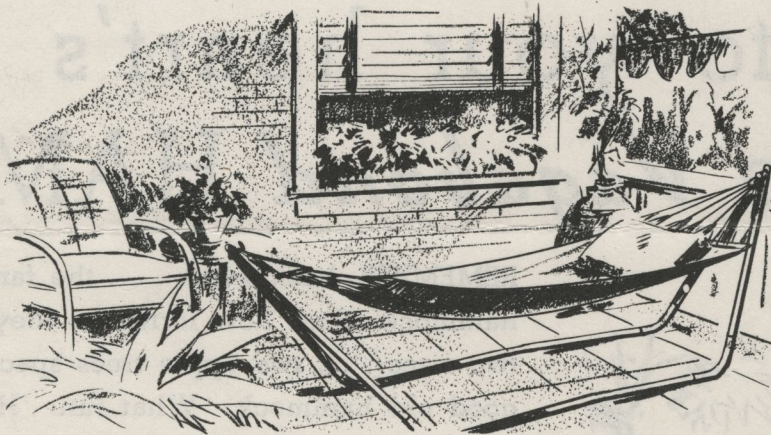

Pick your favorite shady spot, set up the easy portable Vagabond Hammock in less than a minute. No Bolts . . . No Screws . . . You simply slide the units together . . . assembled in a jiffy. The stand is in four sections, of heavy gauge steel tubing (in green, yellow or white), beautifully enameled. Remarkably strong, quite practical, really unbreakable. The generous sized hammock (76" by 32") accommodates all sizes comfortably. It is made of 10-oz. double filled canvas, either white or khaki, heavy corded ropes, nickel rings and reinforced eyelets. The pillow (14" by 8") sewed on, is Kapok filled. The Vagabond Portable Hammock comes packed in a handy carton of heavy cardboard (57" long, 9" wide, 3" deep), which can be used for carrying or storage.
