RESOLUTIONS FOR 1982 AUCE PROVINCIAL CONVENTION

Resolution # One: Submitted by the Provincial Executive

Whereas the Socred Government's so-called "Compensation Stabilisation Program" is a concerted attack on employees in B.C., and

Whereas the gains unions have made are threatened by high levels of unemployment, wage and spending controls, company attempts to wrest wage concessions, and

Whereas wage and spending restraints especially hit women through blocking catch up settlements, equalisation of base rates, and increased layoffs in the public sector,

Therefore be it resolved that:

AUCE goes on record as being totally opposed to the Compensation Stabilisation Program;

AUCE strongly supports and will work towards an independent labour opposition movement in B.C.

AUCE supports a fightback program which would include:

- 1) a coalition of all public sector unions which could mount a coordinated response both educationally and in action.
- 2) formal liason between this union coalition and women's groups, parent groups, and community organisations.
- 3) organisation of information picket lines wherever public services are under the ax.
- 4) organisation of community rallies across B.C. to link wage controls to cuts in hospitals, schools, social and community services. Such rallies could build momentum for:
- 5) major demonstrations in Vancouver or Victoria.
- 6) when necessary, the organisation of a twenty-four hour work stoppage across B.C.

And further that, AUCE will actively support any other union during contract negotiations for wages and benefits exceeding the limit, during informational picket lines, demonstrations, and any job-action which opposes wage controls, in an attempt to gain liveable, fair wages and working conditions for all members.

Resolution # Two: Submitted by the Provincial Executive

Whereas women across Canada in 1981 received only 70% of the average man's salary, and

Whereas unions across B.C. have taken up and won equal pay for work of equal value over the last year, through the demand for equalisation of the base rates,

Therefore be it resolved that AUCE affirms our support for equalisation of base rates as the first step in winning equal pay for work of equal value, and that in the coming year Provincial and Local Executives undertake to research, organise membership education, and draft contract clauses aimed to win equalisation of base rates of pay across the workplace, as contracts expire.

Resolution # Three: Submitted by the Provincial Executive

Be it resolved that AUCE Provincial discontinue its policy of Lobbying CLC affiliates to support our entry to the CLC.

Resolution # Four: Submitted by the Provincial Executive

Be it resolved that AUCE Provincial remain independent.

RESOLUTIONS continued

Resolution # Five: Submitted by Local One

Whereas the Compensation Stabilisation Program of the Provincial Government undercuts the working conditions and job security of our members; and

Whereas this program is an unfair attack on the ability of Public Sector Workers to bargain collectively for fair wages and reasonable benefits and working conditions; and

Whereas this program is being revised everytime spokespersons for the Provincial Government open their mouths;

Therefore be it resolved that AUCE Provincial condemn the Compensation Stabilisation Program of the Provincial Government and call upon the Government to withdraw it;

Be it further resolved that AUCE Provincial join with other groups to oppose this program;

Be it further resolved that AUCE Provincial support any union that defies this program;

And be it further resolved that AUCE Provincial support any collective action that may be undertaken by the B.C. Federation of Labour and/or the B.C. Council of the Canadian Confederation of Unions to oppose this program.

Resolution # Six: Submitted by Local Six

Whereas the South African state oppresses and exploits the majority of that countries population through apartheid - a vicious system of institutionalised racism; and

Whereas the South African state enforces apartheid through wide reaching security laws under whcih virtually any form of political or trade union activity can be defined as "terrorism", under whcih individuals can be detained indefinitely without being charged or can be placed under severely restrictive banning orders;

And, Whereas the South African state has responded to the increasing strength and militancy of the trade union movement in South Africa, and to the challenge to apartheid posed by the trade union movement with increased repression and harassment, with the detention and banning of workers and trade union leaders; and

Whereas the extent to which the South African state is prepared to go to crush the trade union movement is demonstrated by the recent death in detention of Neil Aggett, Transvaal Secretary of the African Food and Canning Workers' Union;

Therefore be it resolved:

That AUCE affirms its solidarity with workers in South Africa and fully supports those engaged in the struggle for a united, non-racial and democratic trade union movement in South Africa;

That AUCE condemn the South African state's policy of apartheid and demands the immediate release of detainees and the immediate lifting of all banning orders; and

Be it further resolved that AUCE calls upon the Canadian Government and Canadian financial institutions to express their opposition to apartheid by withdrawing all investment in South Africa and ceasing all dealings with the South African regime.
